Now it's a goddess...

After a queen...

I'll introduce you to our members now.

But since you're leaving tomorrow, you can just ignore us if you want.

Well first of all, my name is Yu Ki-chan. Ah, I told you earlier, right?
I have a perverse and dark negative energy around me.
And the one over there who gives off the same vibe is Lee Min-young.
The Scaredy Cat, Lim Sung-woon.
The very, very violent Ma Du-hwi.
The Womanizer, Han Sang-il.
and The Witch, Choi Ji-yun.
No one is typically dangerous.
Oh right, there is one.
Beware of Lee Min-young.
Her mind is a bit unstable after also coming from another area recently.
